

PRESS NOTE – EASIMS project

Fourth international meeting of the consortium

The fourth international meeting of the project consortium partners of EASIMS: Innovative training solution for the design and implementation of Integrated Management System (IMS) in small and medium-sized companies took place on 5 - 6th October 2020. This meeting was hosted by UEA and although it was originally to take place in Prague, due to the current epidemiological situation, the meeting has been moved to the online environment.

The main goal on the agenda of the October meeting was the completion of the course and its launch. This course is suitable for managers, students and for anyone else who is interested in getting knowledge in Integrated Management Systems. The course can be found at <http://training.easims.erasmus.site>.

The project has been funded since 2018 by the Erasmus+ fund and is expected to last 28 months.

The consortium, coordinated by CENFIM, is made up of the following European entities: the European Federation of Furniture Manufacturers (UEA), the Meroni Vocational Training Institute (Italy), the AMUEBLA Manufacturers Association of Murcia (Spain), the FCBA Technological Institute (France), the software company DANMAR (Poland) and the Universitat Rovira i Virgili of Tarragona (Spain).
